

THE UNIVERSITY OF WINNIPEG

CINS AGM 2011

At the Heart of Neutron Scattering
October 28th – 30th, 2011

Winnipeg, Manitoba

This year, the University of Winnipeg will host the Canadian Institute for Neutron Scattering's Annual General Meeting.

Keynote Speakers include:

- Bob McDonald (CBC)
- Jason Gardner (NIST)
- Jeff Martin (University of Winnipeg)
- John Root (NRC)

- Accommodations to be provided at the Fort Garry Hotel
- Explore the new Richardson College for the Environment and Science Complex
- Take a tour of Scenic Winnipeg, including The Forks and the vibrant Exchange District
